COMMENTS

VETERANS PREFERENCE
It is the policy of St. Lucie County to give preference to eligible veterans and spouses of veterans in appointment and retention in county employment positions in accordance with Chapter 295, Florida Statutes, and Chapter 22VP-1, Florida Administrative Code. Copies of Chapter 295 and Chapter 22VP-1 are available for review in the Human Resources Department.

JOB CODE: 632
PAY GRADE: 23
SALARY: \$46,232,.99 - \$73,462.90
TRAFFIC PLANNER / ENGINEER

MAJOR FUNCTION: Reviews land development applications for consistency with County and State Growth Management requirements relating to transportation concurrency/adequate public facilities requirements.

KNOWLEDGE, ABILITIES, AND SKILLS NEEDED IN ORDER TO PERFORM THE ESSENTIAL JOB FUNCTIONS:

Knowledge: Familiar with traffic demand forecasting procedures, including trip generation, distribution and assignment, and analyzing the impacts of new traffic upon roadway and multi-modal transportation systems.

Abilities: Ability to establish and maintain effective working relationships with the public and fellow employees. Ability to effectively communicate and present recommendations to various planning committees and to appointed/elected Boards.

Skills: Skills in site plan review; data analysis; and planning report preparation.

ESSENTIAL JOB FUNCTION: Reviews site plans, DRI's, rezoning cases, and comprehensive plan amendments relevant to traffic and transportation impacts and recommends appropriate traffic mitigation strategies and transportation concurrency management conditions for approval.

ESSENTIAL PHYSICAL SKILLS: Use of hands and fingers with dexterity. Good hand/eye coordination. Very frequent use of good near and far vision and good hearing with or without correction. Periodic walking and standing. Occasional light lifting and carrying (30 pounds or less), reaching above shoulders, kneeling, bending and squatting. Ability to operate County automobile continuously for a period of one hour.

ENVIRONMENTAL CONDITION REQUIREMENTS: Nearly constant work inside the office in a sedentary posture. Periodic attendance at meetings inside and outside the County office buildings.

WORK HAZARDS: Possible vision dysfunction due to heavy computer work. Occasional field visits to undeveloped areas, agricultural areas and areas under development, with attendant hazards.

EDUCATION: Master's Degree in Urban Planning, Civil/Traffic Engineering or related field. A comparable amount of training or experience may be substituted for the minimum qualifications.

EXPERIENCE: Minimum 3 years planning or engineering experience concentrating in traffic demand analysis and transportation concurrency management.

LICENSE, CERTIFICATION OR REGISTRATION: Prefer a candidate with AICP certification and/or a PE license in Florida. Valid Florida Driver's License is required and must maintain a good driving record.
